

Lakshya Duhoon

+91 8424894680 | Mumbai Maharashtra | 2023.lakshyad@isu.ac.in | [Linkedin](#) | [Github](#) | [Leetcode](#)

CS student with a strong foundation in MERN stack, web development, and a proven ability to deliver user-friendly applications. Seeking an opportunity to contribute innovative solutions and enhance business outcomes.

SKILLS

Languages :	C++, Java, Python, HTML, CSS, JavaScript.
Frameworks & Libraries:	ReactJS, Node.js, Express.js.
Databases & Cloud:	MySQL, MongoDB, Firebase, REST APIs, AWS, Docker.
Version Control:	Git, GitHub.
Soft Skills:	Problem-Solving, Team Collaboration, Critical Thinking, Time Management, Adaptability.

WORK EXPERIENCE

Colt Technology Services | AI & Data Analysis Intern June 2025 - September 2025

- **Conducted** manual and regression testing for a sales capacity check website, **developing** test cases, **maintaining** detailed bug reports in Excel, and **collaborating** with team members using **Agile methodology**.
- **Designed** and **developed** a network visualization tool with **CytoscapeJS** and **Django**, implementing role-based views, graph filtering, node editing, and Oracle DB integration.
- **Built AI-powered applications**, including an audio translation app and a call summarization tool, leveraging OpenAI Whisper, Helsinki-NLP, and BART models with interactive UIs in Gradio.

Network 18 Media and Investments Limited | Strategy & Research Analysis Intern June 2024 - November 2024

- **Designed** responsive, interactive translation app using Python, and enhanced accessibility and user experience by 10%, leading to increased user engagement.
- **Spearheaded** cross-functional team collaboration, ensuring seamless integration and on-time delivery of high-quality app projects.
- **Optimized** app design and functionality, resulting in a 10% increase in user engagement, and ensuring a seamless journey while using the app.

EDUCATION

ITM Skills University	B.Tech, Computer Science, Kharghar, Navi Mumbai	Present
Delhi Public School	HSC, Panvel, Maharashtra	May 2021 — May 2023
Delhi Public School	SSC, Panvel, Maharashtra	May 2016 — May 2020

PROJECTS

FlashPay - [GitHub Repository](#) December 2024

- **Created** a comprehensive payment and subscription management system using MERN stack, implementing key functionalities, such as managing subscriptions, customers data, and transactions.
- **Implemented** responsive front-end components to ensure compatibility across multiple devices and browsers, increasing accessibility by 15%.
- **Enhanced** user engagement by integrating interactive features, including dynamic subscription updates, hover effects, and smooth transitions, providing a seamless, responsive experience.

FinED - Financial AI Platform - [Github Repository](#) January 2025

- **Developed** a financial AI platform to teach financial literacy from beginner to advanced levels, leveraging the Google Gemini API for personalized learning experiences, increasing user retention by 25%.
- **Engineered** the backend using JavaScript Node.js, Express, optimizing API response times by 30% and ensuring seamless delivery of interactive lessons and real-time progress tracking for 1,000+ users.
- **Assembled** an intuitive and responsive user interface, enhancing mobile and desktop accessibility, resulting in a 40% increase in engagement time and reducing bounce rates by 15%.

ACCOMPLISHMENT

- 5 star Coder on [HackerRank](#)
- Solved 900+ problems on [LeetCode](#)
- Participated in the East/West Regional Semi-Finals of the National Coding League '24 organised by Scaler School of Technology.

CERTIFICATION

- [SQL Certificate \(HackerRank, Oct 2024\)](#) – Certification ID: 9995319DDF80
- [Frontend Development \(React\) \(HackerRank, Jul 2024\)](#) – Certification ID: B40462690393
- [Software Engineering Job Simulation \(Goldman Sachs, Dec 2024\)](#) – Certification ID: yfDa7F5qh9WMnPmg
